Dear Attorney General Platkin,

In accordance with Attorney General Law Enforcement Directive 2018-2, the Bergen County Prosecutor's Office collected random drug testing data from 71 law enforcement agencies in Bergen County for 2022, including the Bergen County Prosecutor's Office itself. Although the Port Authority Police Department reports certain internal affairs-related matters to the Bergen County Prosecutor's Office, its drug testing results were not requested due its unique position as a bi-state and multi-county agency, which does not fall under complete jurisdiction of the Bergen County Prosecutor's Office.

The Bergen County Prosecutor's Office certifies that all law enforcement agencies under its jurisdiction each completed two tests for the 2022 time period. Please do not hesitate to contact the Confidential Investigations Unit if further information is required.

Respectfully submitted,

A handwritten signature in black ink that reads "Lt. Brian Lucas".
